

## PERSONAL INFORMATION

## Martin Schlatzer

📍 Siebenbrunnengasse 71, Vienna, 1150, Austria

☎ +43 6991 0286 793

✉ [Martin.schlatzer@boku.ac.at](mailto:Martin.schlatzer@boku.ac.at)

Sex Male | Date of birth 08/11/1979 | Nationality Austria

## WORK EXPERIENCE

September 2015 – Present

**Scientific Researcher**

Center for Global Change and Sustainability (gW/N), University of Natural Resources and Applied Life Sciences, Vienna (BOKU) (<http://www.globalchange.boku.ac.at>)

- Scientific Expertise: Nutrition Security, Nutrition Ecology, Climate Impact Assessment
- Wide Experience of planning, coordinating and realization of several interdisciplinary projects

**Main Projects:**

- *Scientific Expertise regarding Sustainability Evaluation of Companies for Treeday.net*
- *Analysis of Food System Resilience of the City of Vienna*

February 2011 – February 2014

**Scientific Researcher**

Institute of Meteorology, University of Natural Resources and Applied Life Sciences, Vienna (BOKU) (<http://www.boku.ac.at/en/>)

- Scientific Expertise: Agrometeorology; Climate Impact Assessment; Nutrition Ecology
- Good organisational skills gained through organising and putting together interdisciplinary teams as well as coordination meetings

**Main Projects:**

- *Contrarians – their role in the debate on climate change (global warming) and their influence on the Austrian policy making process (CONTRA)*
- *Food Security risks for Austria caused by climate change (FoodRisk)*
- *Scenarios of Spill-Over Effects from Global (Climate) Change Phenomena to Austria*
- *CC Land Prognosis – Integrated Landscape Prognosis under the Influence of Climate Change*

October 2013 – December 2013

**Research Assistant**

Arava Institute for Environmental Studies, Eilat/Israel (<http://arava.org/>)

- Assistant and lecturer (seminar Environmental Education)
- Literature research and management tasks
- Assessing the rainfall patterns in the Southern Negev of Israel

February 2009 – December 2010

**Scientific Co-Worker**

FEWD (Forschungsstelle für Ethik und Wissenschaft im Dialog), University of Vienna in context of ecology and ethics of nutrition (<http://fewd.univie.ac.at/>)

- Project management
- Literature research and management tasks

## EDUCATION AND TRAINING

June 2009 **Magister naturum rerum (Master of Nutrition) – Thesis Title**  
**”The Influence of Nutrition on Environment and Climate Change”**  
 „Ökologische Konsequenzen des Ernährungsverhaltens – Ansatzpunkte im Ernährungssektor vor dem Hintergrund des Klimawandels” (The impact of nutrition on ecology - approaches to climate change caused by the nutrition sector)  
 University of Vienna (Austria)

November 2006 – February 2007 **Scientific Co-Worker**  
 BfEÖ (Advice Office of Nutrition Ecology), Munich/Germany ([www.bfeoe.de](http://www.bfeoe.de))

- Assistant and lecturer (seminar nutrition ecology/sustainable nutrition) at the University of Applied Sciences in Weihenstephan/Germany
- Evaluating the Organic Assortment of a main German distributor with different indicators of nutrition ecology (plant-based, organic, seasonal, processed etc.)
- Writing articles and concepts

February 2006 – March 2008 **Scientific Researcher**  
 VGÖ (Austrian Vegan Society), Vienna ([www.vegan.at](http://www.vegan.at))

- Lectures on Nutrition, Climate Change, Health, Practical Improvements
- Writing articles and researching health and environment issues

September 2006 **Medical Nutrition Service**  
 Rudolfstiftung (Medical Institution), Vienna ([www.rudolfstiftung.at](http://www.rudolfstiftung.at))

- Planning and editing brochures
- Visiting clients with experts in medical nourishment

May 2006 **Short term Internship**  
 ÖGE (Austrian Society for Nutrition), Vienna ([www.oege.at](http://www.oege.at))

- Main focus on the organization of the symposium “Grains, Nutrition, Fitness. Innovative Cereals”
- Literature research for miscellaneous projects
- Reviews for the magazine “Ernährung aktuell” (nutrition up to date)
- Revision of the book “Mein Gesundheitsbuch” (“My health book”) about the proper diet for children

October 2000 – 2009 **Nutrition Sciences**  
 Institute for Nutrition Science, University of Vienna ( <http://www.univie.ac.at/en/>)

## PERSONAL SKILLS

Mother tongue(s) German

Other language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C2	C1	C1	C1
